RAILWAY SHOP MEN LAY GRIEVANCES BEFORE HARDING

Labor Board Flayed In Telegram Forwarded To President.

RAILWAY STRIKE SITUATION ACUTE

Interruption Of Mails Will Continue, States Telegram.

Chicago, July 13.—Grievances of the striking railway shop men against the railroads and the United States railroad labor board were laid before President Harding today in a telegram sent to the nation's chief executive by the executive council of the shop crafts' unions.

Charges of partiality are clearly implied against the labor board and violations of law are specifically charged against the carriers. The willingness of the striking unions to bring about a just settlement is asserted.

Interruptions of commerce and of the mails, the telegram declares, will continue and increase until an adjustment is reached. The telegram is the union's response to the proclamation issued by President Harding that the mails must not be interfered with.

Board Reduces Wages
The telegram charges that the railway labor board has fixed wage scales far beneath the standard of a living wage and contends that the employees are clearly within their rights in striking. It points out that Federal Judge Page has held the decisions of the labor boards on wages and rules are merely advisory.

The telegram is signed by B. M. Jewell, head of the railway employees' department of the American Federation of Labor; John Weott, secretary of the department; Wm. H. Johnston of the machinists; J. W. Kline of the sheet metal workers; Charles P. Noonan of the electrical workers; J. A. Franklin of the boiler makers; and Martin F. Ryan of the car men.

Situation Becomes Acute

The statement of the shop crafts' unions to the president followed the refusal of the rail executives to deal directly with the unions in an effort to settle the strike. Attempts of Ben W. Hooper, chairman of the labor board, and others to arrange a conference fell flat when the executives reiterated their position that the labor board and not against the carriers and suggested that the employees return to their jobs before attempting to obtain an adjustment of the dispute.

The telegram to the president indicates that the shop men are still unwilling to submit their grievances to the labor board.

Chairman Hooper has announced that he has formulated new plans for the settlement of the strike but did not indicate what his course of procedure would be. Hooper was outspoken in his condemnation of the rail executives for their refusal to join in with the employees. It was indicated that Hooper would endeavor to effect a settlement through individual railroads rather than through the association of executives.

Reports received here today indicated that the situation is becoming more acute on many roads as rolling stock, particularly locomotives, begin to show need of skilled repairs. The tendency toward violence also is reported to be increasing in many sections although no serious new outbreaks have been reported.

CATHOLICS SEEK FUND TO AID MOTHER HOUSE

Parishioners of St. Paul's Catholic church organized four teams at a meeting Wednesday evening at the K. of C. hall for the purpose of raising \$3,000, their apportionment of \$150,000 to be raised in Ohio for the Mother house at Villa Marie, Pa.

This house was struck by lightning last year and in making the repairs, it is understood extensive improvements are being included. It is at this house that the sisters, who teach in the parochial school here, spend the summer.

Miners Refuse Proposals For Peace, Report

Miners Refuse Arbitration Plan As Interpreted By Operators.

Washington, July 13.—The miners will not accept the president's proposal for settlement of the coal strike, leaders forecast today. If the anthracite operators' statement of acceptance interprets the White House view.

According to union leaders the anthracite operators accept the proposal on a purely arbitration plan, and the miners, it was declared, will not consent to it on that basis.

The leaders declared that arbitration as interpreted by the anthracite operators means taking up issues already settled by past agreements and which the anthracite miners have refused to arbitrate in conferences held prior to government intervention.

Present Men's Demands
The miners' spokesman reiterated today that the men will continue to "stand pat" insisting they retain the check-off, collective bargaining, union recognition and other "rights." Furthermore, they again emphasized they will not accept reduction of wages under present conditions nor consent to district conferences.

The president's proposition, as the anthracite operators interpret it in their letter of acceptance, is "blanket arbitration" and the workers by binding themselves to abide by terms of settlement under such a plan would risk losing everything they now have, the miners' leaders asserted.

A full interpretation of the president's proposal will be asked by the miners, according to the leaders, which will include a specific request for definite information as to the scope of the powers of the commission suggested by the president.

Scout Contests Will Entertain Rotarians Today

A short inter-troop contest consisting of knot-tying, signaling, wall scaling and a fireman's lift race will feature the entertainment planned this afternoon by the Boy Scouts to show their appreciation for the hut erected by the Rotary club on Lee Atkinson's farm. Scouts, scoutmasters, scout councilmen and Rotarians will be treated to a menu of home-cooked food by Mr. and Mrs. Atkinson.

First class badges were awarded Wednesday to the following scouts of Troop 7: Senior Patrol Leader Raymond Cobourn, Patrol Leader Scribe Kenneth Kelly, and Patrol Leaders Franklin Davidson and Orville Hoffman. Starling McCulloch who is working this summer in Cleveland, is also entitled to wear a first class badge.

Rev. J. P. Harman, assistant scoutmaster of Troop 4, is planning to take his scouts and scouts of Troop 7 to camp next week near Franklin Square.

LIGHT ORDINANCE ACTION URGED BY CITY SOLICITOR

City Solicitor L. B. Harris Urges Passage Of Rate Ordinance.

BIG REDUCTIONS WILL BE DEMANDED

Company Representatives Agree To Eliminate Certain Clauses.

City Solicitor L. B. Harris will recommend to city council at the regular meeting next Tuesday evening the passage of a new ordinance changing the light rates allowing for reductions to the small users. Several weeks ago the Salem Lighting company voluntarily proposed an ordinance offering these rate reductions but certain clauses were objected to and they were removed Thursday morning at a meeting in the Chamber of Commerce rooms.

The clause stricken out, because it gives rise to the greatest objection, was said to surrender the rights of the city by imposing on council the necessity of proving to the public utilities commission that the light rates the new rates would become effective when passed by council and remain in effect "thereafter until either the City of Salem or the Salem Lighting company shall give 90-days notice of dissatisfaction."

Solicitor's Recommendation
The present ordinance provides that on Aug. 1923 conditions revert back to those existing before the present ordinance was passed as an emergency relief measure two years ago, but the proposed measure was construed as ignoring any necessity of reverting back to the provisions of the old ordinance of 1915.

The ordinance which the solicitor recommends that council pass calls for going back to the terms of the original ordinance of 1915 on Aug. 19, 1923 unless the city council and the Salem Lighting company get together before that time and make other provisions.

This action was taken by a special committee consisting of City Solicitor L. B. Harris, D. L. Augustine, chairman of the light committee of Salem City Council, and R. W. Campbell, local attorney for the Salem Lighting company, which was appointed Wednesday evening at a meeting of the city council, a committee from the Salem Manufacturers association, and the legislative committee of the Chamber of Commerce.

This group held a lengthy discussion in the Chamber of Commerce rooms at which R. Z. Zimmermann, general manager of the Salem Lighting company, F. W. Woodcock, public utilities manager of Day & Zimmermann, Inc., of Philadelphia, and C. C. Mann, Inc., of Philadelphia, and C. C. Christ, rate engineer also from Philadelphia were present and assured the members of the council and committee that it was their sincere desire to offer the city a reduction in rates at this time through the proposed revised ordinance. Mr. Woodcock declared that if any clause in the proposed ordinance, the company would gladly submit to any alterations which the city council might desire.

In the ball game between the married and unmarried men the former won. Batteries, H. L. Wright and A. E. Wright for married men, and William Juergens and James Fogh, for the unmarried men. Rev. P. H. Gordon was umpire.

FLASH STRIKES TWO BATHERS IN SALEM COUNTRY CLUB LAKE

HOUSES STRUCK DURING STORM

Chimneys Torn Off But No Fire Follows; Phone Lines Disabled.

Telephone communication was damaged, houses partially wrecked, trees felled and telegraph and telephone wires torn down Wednesday evening during the most severe rain and electrical storm which has swept this section in years.

Following in the wake of an excessive heat wave with the thermometer at a peak of 95 degrees at noon Wednesday, the storm struck Salem and immediate vicinity with terrific force, rain pouring down in torrents with intermittent flashes of lightning.

Streets were flooded, water running curb high and small lakes being formed at low sections of the city. Wheat crops, oats and other crops were flattened by driving sheets of rain, branches torn loose from trees and telegraph and telephone wires burned out during the two hours the storm raged.

Telephone lines of the Bell Telephone Co., and the Ohio State Telephone Co., were greatly damaged, partially cutting off communication Wednesday night and Thursday. Inter-city lines suffered the most, about 200 Ohio State telephones being out of order. It was reported, a cable leading out McKinley ave. was also burned out, putting about 75 telephones of the Bell Telephone company out of commission. Very little damage was done to toll lines of the Bell system, it was announced.

Houses were struck by lightning but in most instances very little damage was done.

At 6:30 p. m. the home of Mrs. Anna Heckert, corner of Fifth and Rose sts., was struck. The top of the chimney was torn off but no other damage was done. Occupants escaped injury. (Continued on eighth page.)

Strike Ends At McGraw Tire Co. Thursday

According to reports coming from officials of the McGraw Rubber company at East Palestine all employees of that concern will return to work Thursday night or Friday morning, following a satisfactory settlement with employees.

A conference of the company officials and employees of the tire building department was held at 11 a. m. Thursday at which time it was announced that the company would meet all the demands of the employees, granting them a nine-hour working day and pre-war wages, but that they would not re-instate Edward Woods, tire builder, who was discharged Tuesday for making an imperfect tire. It is understood that the dismissal of Woods was a big issue leading to the walk out of employees. Another joint conference was held Thursday afternoon.

Storm Breaks Heat Wave

Wednesday night's severe electrical, wind and rain storm, carrying on its wings death and destruction, also brought relief from a few days of torrid heat. The temperature, rising steadily for four days, reached the summer's record of 93 degrees Wednesday afternoon. Storm clouds gathering during the afternoon broke at 6 o'clock and continued for several hours. The air was clarified and Thursday morning the temperature showed a drop of 20 degrees.

LEETONIA WOMAN KILLED BY BOLT

Mrs. Harry Bingham Struck By Lightning As She Entered House.

Mrs. Harry Bingham, 38, was struck by lightning and instantly killed, at her home just south of Leetonia, at 7 p. m. Wednesday, during the severe electrical storm which visited this section.

Mrs. Bingham had ascended the outside cellar stairs at her home and was about to enter the house when the bolt struck a tree, glancing to the building and following the spouting it was conducted down, striking the woman on the head. She was killed instantly and no marks were left on her with the exception of a little charred hair on top of her head.

A small son of the woman was standing near the corner of the house and his arm was rendered helpless for some time as a result of the shock.

Mrs. Bingham was the mother of six children all of which are living. She is also survived by her husband Harry Bingham, her mother, Mrs. McCoy, and a sister, Mrs. Harvey Harcoy, all of Leetonia.

Funeral services will be held at 2 p. m. Saturday at the home, Rev. Stewart having charge. Interment in Oakdale cemetery, Leetonia.

MOB OF 4,000 PERSONS ATTACKS ROUNDHOUSE, ONE SERIOUSLY HURT

Saginaw, Mich., July 13.—Angered by reports that strikebreakers were at work in Pere Marquette the roundhouse here, a mob of 4,000 surrounded the building late last night and attacked two men leaving their work, seriously injuring one and sending the other home with minor hurts. Railroad officials today announced they will ask Gov. Groesbeck for state troopers to protect the shops.

The disorders followed an all-day gathering of crowds in the vicinity of the roundhouse.

Reports reached strikers that men were being brought to the city to repair engines yesterday. An effort to detain the men on Tuesday had failed, due to vigilance of the strikers.

After threatening to enter the roundhouse by force, the mob finally is said to have obtained permission from police and guards to enter the shop. Strikebreakers found there were seized and marched to union headquarters.

Maude Lewis, 22, And Donald Elton, 17, Killed Instantly Wednesday Evening—Dead Girl's Sister Rescues Boy And Brother Recovers Her Body.

Two persons were killed instantly, several others stunned, four houses damaged and numerous trees struck by lightning during a severe rain and electrical storm which swept Salem and vicinity for several hours Wednesday evening, starting about 6 o'clock.

The dead:

Maude Lewis, 22, daughter of Mr. and Mrs. Charles Lewis, 42 Liberty st., killed instantly at Salem Country club.

Donald Elton, 17, son of Mr. and Mrs. Grant Elton, E. High st., killed instantly at Salem Country club.

The stunned:

Mary Lewis, sister of Maude Lewis, stunned temporarily by lightning at Salem Country club. Gayle Long, 368 Newgarden st., stunned by lightning at Salem Country club.

Families of Lert Beck and E. Sewerayn, Georgetown rd., stunned by lightning when their houses were struck.

Two Bathers Killed
Maude Lewis and Donald Elton were killed instantly about 6:30 p. m. Wednesday while bathing at Salem Country club.

Double Funeral Service
Double funeral services will be held at 3 p. m. Saturday at First Friends church for Maude Lewis and Donald Elton, victims of the storm Wednesday evening while in bathing at the Country club lake.

Rev. L. L. Kinsey, pastor of the church of which both were members will conduct the services, which will be public. Interment in Grandview Burial park.

try club. Mary Lewis, a sister, and Gayle Long, a friend, were temporarily stunned by the bolt of lightning. The Elton boy's body was dragged ashore by Mary Lewis, assisted by Grant Elton, father of the boy.

Maude Lewis sank to the bottom of the lake and was recovered 15 minutes later by Harry Lewis, a brother, who had just left the water about two minutes previous to the flash of lightning.

The bodies of the two victims were taken to Arbaugh's morgue. The body of Donald Elton was first rushed to Central Clinic hospital and upon arrival there was taken to the morgue. The body of Maude Lewis was taken later to Arbaugh's morgue where autopsies will be held by Coroner J. M. VanFossan of East Palestine.

The five young people, Donald Elton, Maude Lewis, Mary Lewis, Gayle Long and Harry Lewis, were at Salem Country club lake playing water ball when a severe rain and electrical storm swept the lake.

Girl Struck
Shortly after the outbreak of the storm Harry Lewis swam ashore and changed into his civilian clothes. The other four remained in the water, standing about shoulder deep between the women's bath house and the diving board.

A sharp crash of electricity was heard and in a few seconds the terrifying shriek of a girl resounded, emerging from the water. Two puffs of smoke arose from the water and a peculiar accompanying crash was heard.

Donald Elton toppled backward, his head horribly burned by the flash of lightning. Mary Lewis who was standing temporarily grabbed the body and started for shore. As she covered half the distance, Grant Elton, father of the lad, rushed in the water and carried the lifeless body of his son to land.

Maude Lewis, who was standing behind Donald Elton, was struck by the same flash of lightning. Her body immediately sank beneath the water, her sister Mary not knowing that she was struck.

Scores Rush to Rescue
Scores of people, who were at the scores of the Tuesday evening dancing club for the Tuesday evening dancing club banquet rushed to the water's edge. Harry Lewis, a brother, was standing on the shore at the time and standing on the shore fully attired in rushed into the water fully clothed to rescue Maude Lewis.

In the excitement of the tragedy the exact spot where the catastrophe occurred was forgotten and it was not until 15 minutes after the death dealing flash had struck that the body of the Lewis girl was recovered by Harry Lewis, her brother.

A human chain was formed to hunt the body of the girl. Starting at one spot the chain moved forward, feeling every inch of the lake bed. Russell Courtney brushed the body with his foot and Harry Lewis dove down and brought the body to the surface.

Rescue Auto Is Wrecked
Thinking that Maude Lewis might not have been killed by lightning, A. G. Brierley and Frank Brian, witnesses of the tragedy, rushed at breakneck speed to Salem City hospital for a pulmotor to resuscitate the girl.

They went through Main st. at a speed exceeding 50 miles an hour and upon returning from the hospital with the pulmotor in their possession their machine crashed into a concrete telephone pole at the intersection of Broadway and Main st. It was a miracle that both were not killed. Neither of the two were injured, both jumping into another auto.

When the respiration machine was brought to the scene of the catastrophe the Lewis girl was beyond all aid and her body was taken in Arbaugh's ambulance to the Arbaugh morgue.

Parents Witness Tragedy
Mr. and Mrs. Grant Elton witnessed the tragedy. They had been at the Country club and shortly before the outbreak of the rain and electrical storm, they had started for Alliance Arriving at Damascus they turned back because of the storm and arrived at the club house when the flash of lightning struck the water.

Hearing the terrifying shriek of Mary Lewis, Mr. Elton ran to the water edge and witnessed his son being dragged ashore by the almost frantic girl. Mr. Elton plunged into the water and bore the body of his son to the remainder of the way ashore. The boy was killed instantly.

Miss Thelma Long, sister of Gayle Long, and Miss Elsie Thomas were eye witnesses of the tragedy. They were sitting on the shore platform near the women's bathing house, about 30 feet from the bathers, when the lightning struck. Miss Long and Miss Thomas tell the following story.

Maude Lewis, Donald Elton, Mary Lewis and Gayle Long were playing water ball at a spot about half way between the place where we were sitting and the diving board. Harry Lewis, a brother, had left the water a few minutes previous.

"We were watching the game when suddenly a crash was heard and two puffs of smoke arose from the water. A terrifying shriek was heard and we saw Mary Lewis struggling ashore with the body of Donald Elton. Maude Lewis had disappeared. Gayle Long was stunned by the flash but was not rendered unconscious. Mary Lewis appeared to be stunned.

"As Mary Lewis neared the shore Grant Elton, father of Donald Elton, rushed into the water and carried the body of his lifeless son to land.

"Terrifying scenes were enacted following the tragedy. A number of people rushed to the water edge. Harry Lewis and B. L. Flick plunged into the water. Some one else followed them but were so startled we did not recognize him.

"Maude Lewis had disappeared and a rescue party was formed and recovered the body.

Boy Horribly Burned
"From where we were sitting it looked as if the flash of lightning had come from the direction of the women's bath house and a striking Donald and then striking Maude."

Examination by Drs. Miles and Byers of the body of Donald Elton indicated that the lad was struck on the head by the flash of lightning.

His head was horribly burned, his neck almost burned raw and both arms were horribly burned and the hair on his head singed.

It looked as if the lightning struck him on the head, going down along his right ear, around his neck and then out both arms.

Only two small marks were found on the body of Maude Lewis, both being small circular burns.

Girl Was Popular
Maude Lewis, daughter of Mr. and Mrs. Charles Lewis, Liberty st., a former student of Salem High and a member of the First Friends church, was a popular member of Salem's younger set.

In high school she was prominent in athletics. She was in charge of the hemstitching department at the Spring Hollow store, Broadway.

Besides her parents she is survived by three sisters, Mary, Minnie and Nellie; two brothers, Nick and Harry.

Member of Sophomore Class
Donald Elton, only son of Mr. and Mrs. Grant Elton, was born Oct. 16, 1905, and lived all his life in Salem. He was a popular member of the Sophomore class, Salem High school, and also a member of the First Friends church.

Besides his parents he is survived by one sister, Mrs. Harold England, this city.

has long been the source of much complaint in Salem, but robbed of this feature the carnival could not exist. Complaint was raised about the carnival at the Homecoming festival last year, but that was entirely prejudice on the part of a comparatively few individuals. That carnival was no worse than others that have been coming to Salem for many years. In fact it was much cleaner and the only profitable business done was for the sake of a local cause and the money was kept in Salem. Another carnival came to Salem early this summer which was described as unusually clean, but it was no different in any respect than the one conducted at the Homecoming festival.

In other words, all carnivals come under the same class—undesirable so far as the city and its people are concerned. There is no use to single out one carnival company, all should be treated the same. And now that the good work of barring them has been started it will be to the credit of Mayor Post not to rescind the order nor to grant a permit to another carnival company.

Barring The Carnival

ACTING MAYOR B. L. FLICK will find that public sentiment is supporting him in his refusal to issue a permit for a carnival company to show its wares in Salem the week of July 24. His act was not aimed at local promoters of the carnival but at carnivals in general, and he spoke with some knowledge of conditions when he declared that public sentiment would not welcome another carnival at present.

Ten years ago The News took a stand against permitting carnivals to appear in Salem, but sentiment against them has been slow to crystallize and Flick's action is the first official stand against these summer shows. A carnival usually brings into the city an undesirable class of people and it takes out of the city all the money it can collect in a week's stay for what are usually cheap and undesirable exhibitions and games.

The gambling feature of carnivals

The Sanitary Plant

THERE was cause for general rejoicing when it was announced that the National Sanitary Co. would rebuild its plant in Salem provided \$15,000 in bonds could be sold here. Up to the moment of the announcement Tuesday night there was grave apprehension that Salem might lose this increasingly valuable addition to its diversified industries.

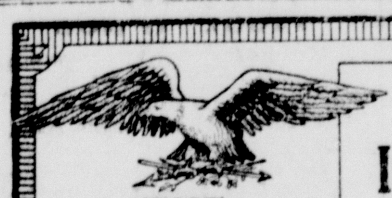

When the present company took over the plant the officials, residents of Massillon, desired to move the plant to that city. Pressure on the part of influential residents of Salem succeeded in keeping the plant here but the desire to have the plant in Massillon continued in the minds of the directors. Labor trouble within the last year aggravated this condition and the fire in the foundry last month brought the matter to a climax. Following that fire the directors were determined to abandon the Sa-

lem field. In the weeks that have passed since that five members of the industrial committee of the Chamber of Commerce, the banks and other influential citizens have exerted every possible influence and spent many hours in an endeavor to keep the plant for Salem.

When success came in the form of a proposition that could be accepted locally it relieved the pressure greatly and made those citizens who have been working so hard to have the plant retained, feel that they really had accomplished some good for the city. The bond issue is the safest possible proposition for those who invest and no serious trouble is expected in disposing of the entire issue in Salem.

THE TROUT SEASON

By JEAN M. GRAY

© 1932, by McClure Newspaper Syndicate.

Mr. and Mrs. Billy Trout had been married almost a year when Mr. Billy brought home the invitation from his big and genial boss to spend two weeks with him at his camp in the Adirondacks. Little Mrs. Billy almost wept with delight, although she hated to leave their pretty little apartment.

"An anniversary honeymoon," she told her husband.

"And a raise, with a membership in view," he returned. "We must make a success of it, honey, for I'm pretty sure our whole future depends on these two weeks. Mr. Henry's a bug on fishing, so he and I will hit it off all right, and if anyone could help loving you—"

After the ecstasies and the packing and the trip, the visit started auspiciously, and continued so for a week and a half. Mrs. Henry and Jack and Jill, the incorrigible seventeen-year-old Henry twins, took Honey to their hearts at once, and Billy and Mrs. Henry waded miles of brook for trout and bass and came back to the camp tired, content, and empty-handed.

"Got to go down to the village with this letter, Honey."

"Not in this downpour, Billy!"

"Silly! It's important, and Mr. Henry wants it to go at once. I met Jack and Jill just coming in, soaked from head to foot. They're going to have a corn pop and promised to wait till I got back. Doesn't that sound good?"

"Yes, but—oh, run along, I'm going to have a nap till you get back, 'cause I'm sleepy, sleepy, sleepy—"

She nearly yawned a big, impolite yawn. Billy hugged her, and hurried off. Honey tugged the screen around the couch, disappeared behind it, and snuggled down by the leaping fire.

Some time later she woke to the sound of voices, one irritated and fretful, the other soothing.

"But, dear—the soother was saying—"

"I know, I know," the irritated voice of Mr. Henry answered his wife. "You are going to tell me it's my own fault, but how the—how could I know it was going to be like this? Usually when we've been up here at this time of the year everything's been fine, but—"

Honey, an unwilling eavesdropper, held her breath. What could he mean? Mrs. Henry was speaking.

"Surely, dear, you can afford to be magnanimous, and forget that these two weeks haven't been all that you expected."

She was laughing at him, and he, as always when she laughed at him, forgot his grouchy and laughed ruefully.

"You're an angel, Clare," he told her, "but this blamed trout season has got me. Let's go and see if Bill is in sight yet."

Honey lay cowering among the pillows. "This blamed trout season! This blamed trout season!" It beat into her brain. Then she had failed, after all, and Billy's life was ruined. Their visit was not a success, but a miserable failure, and it was her fault. Poor Billy, it meant so much to him, and she had spoiled it all. Tears rolled down her cheeks. What had she done? Why? Why? She would go to Mr. Henry and ask, and tell him that it was her fault. Billy must have his raise.

She staggered to her feet, pushed aside the screen and stared at Billy, still in his dripping oil-skins.

"Why, sweetheart," he began, and the storm broke, rivaling the one raging out-of-doors. On his breast Honey panted out her story, and Billy, at first inclined to laugh at her, grew serious and then alarmed. This thing meant so much to Honey, and if he had done anything to queer it, he'd straighten it out or—

"There, there," he said lightly, "don't cry, Honey. You're just a silly little girl. He didn't mean anything. It's just your imagination. Too vivid. He wants to see me now, just as soon as I get off my coat, and everything'll be all right."

"But he said: 'This blamed trout season!'"

"Well, but—" Billy was worried himself. "Honey, listen, I'm going to see Mr. Henry now. Bathe your eyes and wait for me here and then we'll see what's to be done. Will you, Honey?" Honey went off with her tears and troubled soul, and Billy squared his shoulders and marched into Mr. Henry's den. Honey came back tearless, and waited, still companioned by that same troubled soul. And then, when she could bear it no longer, Billy shot out of Mr. Henry's den, hugged her, kissed her, and sat upon the couch and held her on his knee. He laughed and laughed until Honey was ready to burst into tears again.

"Dearest," he gasped, "you dear, silly little kid! Mr. Henry's crazy about us. You're sitting on the knees of the junior partner of Henry, Millard & Henry, right now, and Mr. Henry says I owe it all to you. He's stuck on you, darling."

"But, Billy, 'those blamed trout!'"

"Exactly. We wallowed through fathoms of water, and have we caught one? We have not. They are the trout that are 'blamed,' Honeybunch, not your poor, unfortunate fish of a husband!"

"Billy! My Billy Trout!" gasped Honey, and sat silent, thankful with all her heart that the fishing had been so good last year, when she caught her Billy.

Railway Strike Affects Trains In Cincinnati

Cincinnati, July 13.—Eight passenger trains running in and out of Cincinnati were ordered taken off Wednesday night as a result of the strike situation. Six of them were on the B. & O. railroad and the other two on the Cincinnati, Indianapolis and Western, running between this city and Indianapolis. Two of the B. & O. trains annulled run between Cincinnati and New York, two between this city and St. Louis and the other two from here to Dayton, O., and return. At the same time it was announced here that two other B. & O. trains running between Wheeling and Columbus and Sandusky and Newark, respectively had been taken off.

White railroad officials still maintain that traffic is not seriously affected by the walkout, trains continue to run farther and farther behind schedule.

DEBS IN SANITARIUM

Chicago, July 13.—Eugene Debs, the Socialist leader, whose health is said to be shattered as the result of worry over his recent term, has engaged a room at the Lindlarh sanitarium here, it was learned today.

Debs, according to the records of the institution, was due there today. He is said to have left his home in Terre Haute, Ind., under the care of friends.

STRIKE HITS COLUMBUS

Columbus, July 13.—First notice of the slowing down of local railroad movements brought about by the strike of railroad shop craft men, is the announcement made here today by the Baltimore & Ohio railroad of the cancellation of two passenger trains operating between here and Wheeling, W. Va.

TEMPLE ROOF COLLAPSES

London, July 13.—Fourteen persons were killed and more than a score injured when the roof of a temple here collapsed.

COMB SAGE TEA IN FADED OR GRAY HAIR

If Mixed With Sulphur It Darkens So Naturally Nobody Can Tell

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied, with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through the hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color, and looks glossy, soft and beautiful.

SOCIETY

At DeWeese Home

A delightful birthday party was given at the home of Mr. and Mrs. Charles DeWeese at Damascus Tuesday. The occasion was in honor of the following persons who were present, the combined ages being 372 years.

John Cope, aged 93, and his daughter, Miss Lydia; Hiram Cameron, aged 79 years and his wife; Jesse Edgerton, aged 77 years and his wife; George Bailey, aged 77 years and his wife. The hostess Mrs. DeWeese was also born on the same day.

A sumptuous dinner was served and a delightful afternoon spent together and thoroughly enjoyed by all. Other guests were Robert Ellison of Damascus; Miss Ruth DeWeese, Irwin, Pa.; Mrs. A. E. Goss and Misses Isabelle and Adelaide Goss of Pittsburg.

The hostess was assisted by her daughter, Miss Martha, and Mrs. Edwin Gamble and Miss Pemberton.

Entertain Alliance Women

About 15 members of the Alliance chapter were guests of Salem chapter No. 68, Women of the Mooseheart Legion, Wednesday evening at a regular session. It was followed by a covered dish supper and social period.

The chapter will hold a picnic Monday afternoon and evening at Centennial park with a basket supper. Ice cream cones will be served free. The members will meet again in one week.

Marriage Licenses

Marriage licenses have been issued to Elihu Simpson and Mary A. Simpson, both of Salineville, who were married in Lisbon by Rev. Mrs. P. M. Kendall.

Karl Muir of Washingtonville and Constance Mowen of Columbiana, married in Lisbon by Rev. P. E. Carson.

Farm Women's Club

Mrs. Leonard Pearce, Damascus, and Mrs. Oesch, Canton, were included in the guest list at a meeting of the Farm Women's club Wednesday afternoon at the home of Mrs. David Batzli, Sr., near the Garfield rd. Piano selections were given by Miss Hilda Franke and a lunch added pleasure. The members will meet the second Wednesday in August.

Bon Temp Club

Members of the Bon Temp club, this city, spent Wednesday with Mrs. L. V. Schnurberger at Ravenna. A luncheon was an enjoyable feature of the day.

Mrs. William Gaunt, Youngstown, formerly of Salem; Miss Merle Schnurberger, Salem; and Miss Edna Schnurberger, Cleveland, were out of town guests.

Meeting in Church

Instead of holding their picnic session at the home of Mrs. L. B. Harris on High st., Friday as had been the plan, the meeting of the Christian church missionary society will be held at the church.

The women are to meet at 11 a. m. bringing with them their picnic dinners, their dishes and silverware.

Star Club

With visiting and needlework occupying the hours members of the Star club enjoyed an informal social time Wednesday afternoon at the home of Mrs. Thomas Carr, Ellsworth rd. Mrs. Albert Kidd, Garfield rd., will entertain the members the second Wednesday in August.

Three Classes Picnic

Bathing, boating, a picnic supper and dancing helped make the hours enjoyable at the picnic held by three classes of the Christian church taught by Mrs. Howard McCurdy and Mr. and Mrs. Harry Clay at Craig's landing, Tilton dam, Wednesday afternoon and evening.

Haus Frau Club

Mrs. George Fronius entertained members of the Haus Frau club Wednesday afternoon at her home, Liberty st. The hours passed pleasantly at sitting and needlework. The first Tuesday in August the members meet again.

Plan Congregational Picnic

Plans were made for the congregational picnic Aug. 5 at Martini's grove, Euclid st., and one member was at a meeting of the German Aid society of Emanuel Lutheran Wednesday evening.

Spone Club Meeting

COUNCIL VOTES AGAINST FOREIGN STRIKE BREAKERS

Columbus, July 13. — City council here adopted a resolution condemning the importation of "undesirable and un-American persons to be used as strike-breakers" and objecting to the use of private detectives as shop guards by the various railroad companies in this city. The resolution was introduced by Councilman Wehe, chairman of the machinists' union at the local Pennsylvania railroad shops.

C.M. Day Sues Salem Tool Co.

C. M. Day of Salem has brought suit against Henry S. Wilson, James Wilson, Conrad Thumm and Frank Trotter and The Salem Tool Co., alleging that he owns one-fourth of the stock in the company and the defendants own the other three-fourths of the stock. He claims that for the last two years

the defendants elect themselves directors and officers of the company and ignore him and his rights, and that they vote to themselves large sums of money as salaries, and that he believes that in 1920 they paid themselves \$1500 each and in 1921 the sum of \$1200 each, and that they do not render services for the same. He claims that he does not have access to the exact information. He asks

that the defendants be compelled to return to the company the money thus received.

BAPTIST CHURCH PICNIC

The annual picnic of the Sunday school of the First Baptist church, Wednesday at Rockhill park, Alliance, was well attended and proved very

enjoyable with a basket dinner and a program of contests as features. A baseball game was played by members of this school and a Sunday school from Beloit with Beloit leading when rain stopped the play.

OBITUARY

Harmon Truxall
Harmon Truxall died at his home in Leodonia at 4 a. m. Thursday of pneumonia. He is survived by his wife and three children. Funeral arrangements have not been announced.

Funeral Notice
The funeral services for James L. Clemson will be at 1:30 p. m. Friday at the home, Damascus, and at 2:30 at the home, Damascus church. Rev. Herbert Haldi and Rev. Isaac Stratton will be in charge. Burial at Goshen.

Sidney Wheelhouse
Word has reached here of the death of Sidney Wheelhouse of Clarion, Pa., which occurred at 9:30 p. m. Wednesday. He died of Bright's disease. At one time Mr. Wheelhouse was general sales manager of the Buckeye Engine company. He was a member of Salem commandery No. 42, Knights Templar. Burial will be at Jamestown, N. Y., p. m. Friday.

Charles E. Stratton
Mary M. Townsend, of Garfield ave., was called to Philadelphia, on account of the sudden death of her uncle, Charles E. Stratton, who had been ill some time, but was supposed to be improving.

Mr. Stratton was well known by many of the older residents of Salem, having been born here, and spent his early manhood in this city, leaving here in the early 80's to accept a situation with Strawbridge & Clothier, Philadelphia, with whom he was connected for over 30 years. He was a brother-in-law of J. R. Townsend, Garfield ave. His only brother H. F. Stratton, is in Italy.

FRANKLIN SQUARE

Mr. Kaylor and family of Ensworth, Pa. Wm. Kircher, wife and son Ralph of Salem, Mrs. Hisey and son Chester of Columbiana were recent guests of John Kircher and wife.

Mrs. Sade McIntosh spent Monday and Tuesday in Leetonia.

Mr. and Mrs. Allison of Pittsburg, Mrs. R. C. Carr of Waterloo, Ia., Mr. and Mrs. Wm. Burns of Salem were visitors in the home of Harvey Lammon.

Charles Derr is in the Youngstown hospital for treatment.

E. P. Aldridge has gone to Cleveland to serve on the jury.

Frank Greenwalt is working in Alliance, Mrs. Greenwalt is also boarding there.

Leona DeRhodes has moved in the company house at the Delmore mine.

Hart's Sabbath school has invited this school to picnic with them at West Lake August 17.

Lester Redfoot and family of Leetonia were Sunday guests of Mr. and Mrs. Wm. Shinn.

John Haskins and wife motored here Sunday with other friends and spent the day with relatives.

Harry Peppel, who has been employed in Kittanning, Pa. was here for a few days. His two boys went back with him.

Family connections spent July 2 with Mr. and Mrs. Elwood Shinn in honor of Mrs. Shinn's birthday anniversary.

Wm. Good and wife, Raymond Good and wife were Sunday guests of Mrs. Sutherin.

Invitations are being sent to former teachers and pupils of the Franklin Square school for the reunion to be held on the school lawn July 28.

While it is impossible to reach all with these invitations for lack of addresses it is hoped all who know of the reunion will be here to greet old friends. Plenty of shelter will be provided, a large tent has been engaged and the school building will accommodate a good sized crowd should the weather be bad.

Always in Readiness.

For several years first-aid packages have been carried on Pullman cars, but hitherto always in lockers, where, although secure, they were out of sight, says Popular Mechanics Magazine. As a consequence, often when they were most needed, the locker was found to be empty. In order to make such a condition impossible in the future, these first-aid packages are now being placed in a steel box, finished to match the car, that accommodates two packages, and that is attached to the wall in the passageway of the car, high enough to be out of the way of passersby, but within easy reach.

COXEY ENTERS SENATE RACE AS INDEPENDENT

Massillon, July 12.—"Gen." Jacob Coxey, who in 1894 and again in 1914, led an "army" of unemployed from Massillon to Washington, today announced his candidacy for the United States senate on a non-partisan independent ticket.

Coxey has until Sept. 1 to secure 21,000 signatures required to place his name on the ballot. He will open his campaign this evening with a meeting at Mount Vernon, O., where he formerly was in business, he announced.

The keynote of his campaign he said will be "Money at Cost," or "Shall the Banks or the People Rule?"

Coxey has been a candidate for state office and congress, each time on a platform of non-plank-non-interest bearing bonds.

Besides the noninterest bearing bonds Coxey will advocate a national initiative and referendum measure, issuance of money to recondition ships and thus save subsidy, issuance of money for other expenses.

9 KILLED, 40 INJURED IN TRAIN COLLISION

Kansas City, July 13.—A check-up today showed a total of six dead and 48 injured as the result of the head-on collision of Missouri Pacific passenger train No. 11 and a freight train near the outskirts of this city last night. Eighteen of the injured were in hospitals.

A misunderstanding in train orders caused the wreck, it was believed. Dr. Chett McDonald, coroner, began an official investigation this morning.

TWO MEN SENTENCED FOR STRIKE DISORDER

Canton, July 13.—Announcing a policy of heavy workhouse sentences for all persons convicted of violence during the railroad strike, Police Judge Bowman today sentenced John Roddy and C. E. Knige to serve 30 days each for attacking Pennsylvania shop employees. Three others are being sought following an attack upon another workman.

Shoots Wife Then Commits Suicide

Los Angeles, July 13.—Charging his wife, Mrs. Myrtle E. Webber, 32, with leading a dual life, Frank Webber, 40, a taxicab driver shot her three times today and then committed suicide in her apartments. In a letter apparently written just a few minutes before the double tragedy Webber expressed the intention of "taking her with me, rather than leaving her to be the goat of other men." They had been separated for some time.

HOUSES STRUCK

MRS. FRED NEWTON RID OF HAY FEVER BY KERKER REMEDY

Well-Known Resident of Dresden, O.,
Suffered 11 Years

"I was down in bed with hay fever, from which I suffered for 11 years, when, in desperation, my husband secured a bottle of Kerker's Asthma and Hay Fever Remedy," says Mrs. Fred Newton, Dresden, O. "I got wonderful results with the first bottle. I took three bottles altogether, and have not since had a sign of hay fever. My recovery is remarkable when you consider I treated with physicians and took many other medicines with no results. I heartily recommend the Kerker Remedy." (Signed)

"MRS. FRED NEWTON, Dresden, Ohio." Kerker's Asthma and Hay Fever Remedy is sold in Salem exclusively by The J. H. Lease Drug Co.

Hard on Bores.
"Arthur J. Balfour," said a member of the British embassy, "is a fascinating person—he fascinated everybody he met here in Washington—but you've got to admit that he's hard on bores."

"Mr. Balfour came out of his big yellow house in Carlton House terrace one day, and before he could get into his motor car a bore held him up. The bore talked to him about Ireland and Ulster for 20 minutes in one line streak, and then, when he paused for breath, Mr. Balfour said:

"Yes, there are no omelets like the omelets you get at Claridge's." "Perhaps, perhaps," said the bore, "but what has that got to do with what I've been talking about?" "Mr. Balfour yawned behind his long thin hand.

"By the way," he said, "what were you talking about?"

Made Famous Tea Shipment.
In Gracechurch lane, an obscure highway just outside one of London's busiest commercial centers, American tourists may see over a grocer's store the "sign of the crown and three gilt sugar loaves" that marks the location of the shop whence the tea was shipped in 1773 that ultimately went overboard in Boston harbor during the world's famous tea party.

Only the sign, which was recently restored and which bears in big gold numerals "1650," the year the firm was established, is suggestive of remote times.

The grocer's shop, conducted by descendants of the firm's founders, over which the sign hangs, is now housed in a modern brick building. Inside, nothing distinguishes the place from thousands of similar places of business.

Says His Prescription Has Powerful Influence Over Rheumatism

Mr. James H. Allen, of Rochester, N. Y., suffered for years with the rheumatism. Many times this terrible disease left him helpless and unable to work.

He finally decided, after years of ceaseless study that no one can be free from rheumatism until the accumulated impurities, commonly called uric acid deposits, were dissolved in the joints and muscles and expelled from the body.

With this idea in mind he consulted physicians, made experiments and finally compounded a prescription that quickly and completely banished every sign and symptom of rheumatism from his system.

He freely gave his discovery, which he called Allenhu, to others who took it, with what might be called marvelous success. After years of urging he decided to let sufferers everywhere know about his discovery through the newspapers. He has therefore instructed druggists everywhere to dispense Allenhu with the understanding that if the first pint bottle does not show the way to complete recovery all druggists will gladly return your money without comment.

MILLIONAIRE'S SON GETS LIFE TERM FOR MURDER

Barstow, Texas, July 13.—William Meadors, 18, has been sentenced to 99 years' imprisonment on conviction of the murder of Asa Rawls, after the most sensational trial ever held in West Texas. Meadors is the son of Andy Meadors, millionaire rancher, who is jointly charged with the killing but who has been granted a separate hearing.

The youth received his sentence without show of emotion. The alleged murder occurred on the great Meadors ranch in Andrews county, where Rawls had been employed as a ranch foreman. The chief witness for the prosecution was Rawls' widow, who saw the killing, while Miss Ola Meadors was the principal defense witness.

When Mrs. Rawls took the stand she testified that the men had quarreled when she had accused the Meadors of stealing her diamond ring.

According to her testimony, Rawls

was tied hand and foot and shot to death in the rear seat of the Meadors automobile, while both she and her husband were begging for mercy.

Don't Hide Them With a Veil; Remove Them With Othine—Double Strength

This preparation for the treatment of freckles is usually so successful in removing freckles and giving a clear, beautiful complexion that it is sold under guarantee to refund the money if it fails.

Don't hide your freckles under a veil; get an ounce of Othine and remove them. Even the first few applications should show a wonderful improvement, some of the lighter freckles vanishing entirely.

Be sure to ask the druggist for the double strength Othine; it is this that is sold on the money-back guarantee.

Careful estimates place the population of China at 400,000,000.

TUT JACKSON MATCHED TO FIGHT HARRY WILLS

Cleveland, July 13. — Billy Palmer, manager of Tut Jackson, the Washington C. H. heavyweight, who has fought his way to fame in the past year, has gone to New York to sign articles for a fight with Harry Wills, negro heavyweight, at Ebbets Field, Brooklyn, on July 19, according to announcement made here.

Palmer said before his departure that all arrangements had been made and that signing the contract was only a formality.

Scriptures for Journalists.

"Nomad," writing in the Boston Transcript about the late Edward Everett Hale, the centenary of whose birth was recently celebrated, says of his religion:

"His conception of Christ was as a great human being—of a human being great enough to be God. A Boston newspaper youth, who often reported Hale, tells the Nomad how, when going to Leipzig to study, he wrote and asked him what he should choose for a best course of reading, intending, as I am, to stick to journalism." Dr. Hale replied with suggestions as to which volumes of Bancroft he should read and what others he should miss, etc. But he said at the beginning and end of his letter: "In my opinion what the American journalist needs most is a strict and impartial course of the New Testament."

What Is Sunstroke? Expert Explains, Tells What To Do

"Sunstroke is an accident pure and simple," says Dr. Emory R. Hayhurst, Division of Industrial Hygiene, state health board. "Heat stroke" is a better term than "sunstroke" as the affliction may occur in the middle of the night and in any hot place.

"It is virtually always due to two things: One of these, the medical patriarch, Galen, pointed out 1,000 years ago. He said, 'We must remember that no cause can be efficient without an aptitude of the body, else all who are exposed to the sun * * would fall into a fever.' We say, certain persons are predisposed. These are the weak, the sickly, the stout, the alcoholic, the heavy eaters, those greatly fatigued, the aged, the infants and those who have had heat-stroke once before.

"The second cause is better understood and pertains to the physical conditions of the atmosphere. It is much more than heat, for men have withstood heat up to 250 degrees without suffering heatstroke. The dangerous physical condition is a combination of heat, high humidity and stagnation of the air.

"This combination thickens the 'envelop of heat' which hangs about one's body naturally and shuts off evaporation of sweat, which is the big cooling factor when one is getting overheated. The temperature need be only 35 degrees Fahrenheit to bring this about. So-called 'crowd poisoning' is simply the dangerous atmospheric combination and nothing else. These more 'apt', as Galen said, are the first to be overcome.

"Of the three atmospheric dangers, stagnation probably is the worst. For many the electric fan has solved this. Personal safety rules for hot weather are simple: Eat less, drink more; eat more vegetables and fruits, less meats; don't become constipated; get into the breeze.

"When one notices a headache on a hot day, or surging rushes of blood to the head, or dizziness, he should take warning at once. A quick remedy is to fan the air for a few moments against the face. The cheeks, forehead and neck are the great cooling stages for protecting the body

from heat stroke. Take off the hat and collar, roll up the sleeves, do anything to expose more body surface; use anything to get the air to move. Even rocking in a chair helps greatly. Don't allow other persons, for each is a miniature furnace, to crowd around.

"Should one drink cold water or cold beverages when feeling overheated? Yes, but something should be added to stimulate stomach peristalsis—or movement. I once worked with a lot of laboring men. They added oatmeal, uncooked—a handful or so—to a bucket of icewater. One drinks less and relishes it more. Undoubtedly the 'fizz' of effervescent drinks has the same satisfying effect and for the same reasons.

The treatment of the person who is, therefore, usually unconscious or

delirious, calls for expert aid and the physician should be sent for at once. In general, cold to the head, half-reclining posture so as to keep blood from gravitating to the head, and plenty of fanning, comprise what may be safely done until the physician arrives."

Canton—Reports coming from Alliance state that a Milwaukee train carrying Elks to their convention at

Atlantic City was held up in that city for 35 minutes for repairs on account of the strike.

Youngstown—Bricklayers here are

remaining idle in their efforts to force contractors to recognize their union. City have been warned by Mayor Reese they are not to loiter in cafes, neither questions, it is merely a stand taken are they to accept free drinks or sandwiches.

\$25,000 WILL SOOTHE HIS HEART, HE SAYS

Birmingham, Ala., July 13.—What value is to be placed upon a man's damaged affections?

Charlie Bondi estimates that about \$25,000 in cold cash would be right. According to papers filed through his attorneys in court, Bondi is attempting to recover this amount from Lena Danna, who, he alleges in his complaint, entered into a perfectly good agreement to marry him. Bondi further claims that, after he had purchased kitchen utensils, household furniture and expended certain sums of money for fruit and flowers, the lady in the case suddenly suffered a change of mind.

The story leaked out, Bondi was laughed by his friends, and the suit is the result.

BOWELS ALL

RIGHT NOW

So Nervous Couldn't Sleep Until He Took Nerv-Worth

Sometimes it is a very small thing that leads to very large ones in the life of a person. If some one had not dropped the circular about Nerv-Worth into the automobile of this man, he would very likely still be suffering severely from stomach and bowel trouble, if indeed he had lived so long with such an ailment. Here is the story just as Mr. T. C. Bradshaw, of Franktown, Md., told it: "My stomach and bowels and digestive organs were in bad shape and I got but little sleep and no rest and so was all worn out in the mornings. My appetite was bad and I bloated terribly with gas after every meal until I found a Nerv-Worth circular in my machine. I went to the nearest drug store and got a bottle at once and before I had taken it half up I was better—soon I was well and have had no return of the trouble." Many others have had the same experience after they had almost given up hope of ever finding any relief.

Most druggists have Nerv-Worth and sell it at one dollar a bottle on a guarantee of money back if you do not get encouraging results from the first bottle. It is always on sale in this city at the Bennett and Treat drug stores. It is especially fine for delicate women and sickly children. The taste is pleasant and the action while mild is unusually effective.

LEETONIA

Word was received here by Mr. and Mrs. William Groner and Mr. and Mrs. Harry Tittler that their nephew, Ralph Tittler of near New Wilmington, Pa., and Miss Vada Ligo of the same place were married in New Wilmington on Saturday afternoon July 8. The wedding ceremony was followed by a dinner at the home of the brides parents, Mr. and Mrs. Lego.

On Sunday morning Mr. and Mrs. Tittler left for Kingston, R. I., where Mr. Tittler who graduated from State College, Pa., three weeks ago will teach bacteriology in a summer school at Rhode Island State college, where he will be one of 35 regular teachers for the next school year. He will teach the same branch. The couple have many relatives and friends here who offer congratulations. Mrs. Annie Gilbert who was elected secretary of the board of public affairs assumed her new duties Monday morning and will be found in the city's office part of the time at least.

Walter Riles has purchased a new truck and put it on the road for bringing goods from his grocery store to consumers.

Mothers in a Like Situation Should Read This Letter from Mrs. Enrico

Chicago, Illinois.—"I took Lydia E. Pinkham's Vegetable Compound for a serious trouble. I had tried doctors and all said the same—an operation. At first I only felt the pain on my left side but later I seemed to feel it on both sides. I am a power sewing-machine operator and have a little girl to support. I work in a tailor shop and that line of work has been very slack this year and I am home part of the time. I do not like to take any chances, so I consulted my friends, and one lady said, 'Take Lydia Pinkham's medicine,' so I did. I have felt better right along and am in good enough health to go to work. I recommend your Vegetable Compound and Sensitive Wash to all."—Mrs. MARY ENRICO, 459 N. Carpenter St., Chicago, Illinois.

\$100 IN DOLLAR DAY PRIZES

Here is an easy way to win \$100.

No work is required, the only provision being that you do your shopping with the Salem merchants on Dollar Days, next Friday and Saturday.

The News and the Retail Merchants board will give \$100 in cash for the largest amounts purchased on those two days.

Fifty dollars will be given away each day in first, second and third prizes of \$25, \$15 and \$10.

To the one making the largest total purchase during Friday \$25 will be given, with second prize for the next largest amount and the third prize to the one whose total purchases are exceeded only by the other two.

The same amount in prizes will be given the three largest purchasers on Saturday.

Merchants will provide sales slips for the two days. These, containing the name of the purchaser and the date of purchase, will be accepted at the Chamber of Commerce rooms.

Friday's sales slips must be presented not later than 10 a. m. Saturday. Sales slips for Saturday must be filed not later than 10 a. m. Monday.

Those who find it more convenient may deposit their sales slips in the letter box in the door of The News building.

All sales slips turned in will be received by H. Parker Lowell, secretary of the Retail Merchants board, who will determine the three winners for each day.

Do not forget—these prizes are for purchases only on the News-Merchants Dollar Days next Friday and Saturday, July 14 and 15.

\$785,000 ROAD PROGRAM UNDER WAY IN COUNTY

About 35 Miles Of New Road Work Started
Bridges Cost \$25,000

By M. K. ZIMMERMAN

Lisbon, July 13.—“We have either let contracts or have arranged to build new roads and bridges in Columbiana county at a cost of \$785,000,” declared Chairman John H. Hinchliffe of the board of county commissioners, “and the policy of the present board is to put all of this work over this year.”

“While the state has and will share in construction work, it has been up to the county to arrange its funds so that when the state does come across the county is in a position to match the state dollar for dollar.”

Close to 35 miles of new road work is under way in Columbiana county, and according to Mr. Hinchliffe plans for road surfacing next year are now in the making.

Now that the Unity township trustees have placed the necessary legislation on their journal to sell \$15,000 bonds for the improvement of the Unity-Petersburg rd, the county is ready with its share. Mr. Hinchliffe has pointed out. The state will also share in the cost of this improvement.

\$25,000 In Bridge Work
New bridge work in the county so far this year has totaled upward of \$25,000, and to this is to be added new bridge construction in Salineville.

In Knox township a new bridge is being built by Cox & Hesley at a cost of \$1,206.60 and Bridge 959, which is to be built in Elkrun township, has been awarded to T. A. Richardson & Son at a bid of \$4,668. Much smaller bridge construction work has been awarded throughout the county to the above contractors and Herman C. Armstrong at a total approximate cost of \$20,000.

The real big grading jobs put on the program this year are the Wellsville-Salineville intercounty highway, an improvement fostered from the beginning by Commissioners McNicol and Hinchliffe, and the grading of the Salem-Hanover rd in Hanover and Butler townships. Other surfacing or grading contracts awarded either by the county commissioners or the state highway department in Columbiana county this year follows:

Grading Work
Jerome st, Lisbon, a part of the Lisbon-Columbiana rd, awarded to Morgan Bros. at a cost of \$22,329.38. The distance is 35 miles.
Lisbon-Salineville, 97 miles, surfacing started this week by R. H. Shaffer on a bid of \$25,994.46.
Youngstown-Liverpool intercounty,

gannon rd in Hanover township, a distance of 34 miles, was awarded Moran & Son, and this job was completed only a few days ago at a cost of \$8,850.

Tatzenhorst & McLaughlin of East Liverpool have been awarded the grading and surfacing of the North Georgetown-Homeworth rd for a distance of 1.36 miles at a cost of \$46,945.33. This work is now being executed and rapid progress is being made, due in the main to favorable weather.

The T. W. Miller Construction Co., has been awarded the contract for surfacing 2.32 miles of the Lisbon-

highway 1.59 miles, awarded to Kanamagh & DeNiro at a cost of \$62,297.46.
Duquesne st, Columbiana, 34 miles being graded and brick surfaced by William McCormick on a bid of \$8,846.60.
In this connection, the county commissioners will ask for bids within the next few weeks for the resurfacing of the continuation of this road from Columbiana, be a point near the Quigley farm, and when this is done there will be a smooth surfaced highway between Leetonia and Columbiana, via Columbia st. There is one-half mile of resurfacing to be done and this job has been estimated at \$5,680, but it will cost less as contractors are bidding considerably under the estimates this year.

In St. Clair township the Park Way rd is being graded and surfaced on a contract awarded to George Patterson at a bid of \$42,312.49 and as the concrete has all been poured on this job the “throwing” of paving blocks will begin before the weekend. The improved distance in .82 miles. Although the Carty-Friedman Co., of Youngstown was declared in default in the improvement of 2.21 miles of the Salineville-Lisbon rd, the bonding company has its matters in such shape that the job will be let another contractor within the next few days. This job was awarded on a bid of \$55,348.28. The county has already paid for considerable material, and this outlay has been deducted from any amounts that might be due the Carty-Friedman Co.

Youngstown intercounty highway at a cost of \$92,243.53.

On an estimate of \$164,316, the contract for the reconstruction of four miles of the Lincoln Highway west of Lisbon is to be awarded by the state highway department July 14.

The contract for the grading of the Salem-Hanover intercounty highway, four miles in Hanover township and 2.99 miles in Butler township, will be awarded just as soon as the trustees of these two townships have their necessary legislation made a matter of record. Butler township has sufficient funds in hand to go ahead with their share of the work and the Hanover township trustees are now getting their legislation in shape. The grading in Hanover township has been estimated at \$29,600 and that in Butler at \$27,900.

Southern End of County
The commissioners will award the grading work on the Highlandtown-Salineville section of the Wellsville-Salineville intercounty highway in Washington township July 21. This piece of work is 3.63 miles long and has been estimated at \$38,700.

The Yellow Creek trustees have just completed their legislation for the improvement of 3.12 miles of this road in Yellow Creek township, and this section has been estimated at about \$26,000. The new road is to be graded to a width of 28 feet all the way. Surfacing of this six miles of road will be put over next year and the state will share in the cost. All grading on this road is expected to be completed before fall.

On July 17, the contract for the Lincoln-Leetonia rd is to be awarded by the county commissioners on an estimate of \$69,000 for 2.95 miles.

The contract for the Petersburg-Unity rd will be awarded just as soon

as the necessary legislation is made a matter of official record. “The present board of commissioners has just as active road program contemplated for 1934” declared Mr. Hinchliffe. “I expect that if all petitions for good roads were estimated during the last two years were estimated, the cost would run into the millions.” And he continued: “The present board of commissioners wants to build all the roads possible, but the limit of finances of course always has to be taken into consideration.”
“It will be but a few years until the county will have a rather large road fund as assessments will be returned the county in rather large volume. Then we'll be in a position to do more road building than we are now or in the past.”

PESKY BED BUGS

Bedbugs lay an average of seven eggs per day. Under favorable conditions they hatch in five days of which two-thirds are females. They mature to adult size and are capable of living in four weeks. How many bedbugs would you have in a year if you left one female or egg unmolested for one year?
To rid the pesky bedbug, you need only use the new discovery Pesky Dev. It is a potent spot in every package to get the pesky devils in the hard-to-get places and save the juice. P. D. Q. is not an insect powder, no muss or fuss, does not rot or burn the bedding. P. D. Q. for family use. Hospital size 2.10 makes five gallons. P. D. Q. can also be purchased in sealed bottles, double strength, liquid form. Genuine P. D. Q. is never peddled.

ELKS ELECT MASTERS GRAND EXALTED RULER

Atlantic City, July 13. — J. Edgar Masters of Charleston, Pa., was elected unanimously grand exalted ruler of the Elks at their annual convention Tuesday.

The first executive business session commenced with Grand Exalted Ruler William Wallace Mountain presiding. Most important of the reports presented was that of the Elks national memorial headquarters building commission headed by former Gov. John A. Tener of Pennsylvania.

According to the report of the grand secretary, Fred Rogerson, charitable

work by the Elks since 1880 amounts to \$13,031,433.10. John P. Sullivan, chairman of the membership committee, reported that "the close of the grand lodge year finds us with our million-member goal not yet achieved, although it is in sight." The total membership is 835,783 in 1,367 lodges.

Assets of subordinate lodges amount to more than \$58,000,000, the grand secretary reported.

Young Mother Seeks To Sell Year-Old Son

Columbus, July 13.—"And now what am I offered for this fine baby boy? What do I hear, ladies and gentlemen? Look at his rosy cheeks, his chubby legs."

Figuratively the droning voice of an auctioneer will recount the best points of Richard Turner, aged one year, literally he will be sold in a much more modern way, through the want column of a newspaper—if Mrs. Augusta Turner, aged 21, carries out plans she outlined in a letter today to a Columbus paper.

The young mother lives at Byesville, a town five miles south of Cambridge in Guernsey county, with her mother, Mrs. Leon Du Bois and a brother, Mrs. Dubois is ill and will probably die, physicians have said, unless she is sent to a sanitarium, which will cost probably \$3,000.

That's the price Richard Turner's

mother has set on him.

The unusual want ad was received today, and the paper will forward any offers or suggestions for the sale of Richard to his mother.

"It will be hard to give him up, but it will be still harder to give up mother," Mrs. Turner wrote. She does not want general aid, saying that if her boy is taken care of and the money necessary for her mother's treatment obtained, the rest of the family will get along all right.

ORDERS LAND SOLD

Clement E. Beard, executor of the estate of the late David Beard, entered suit recently in court against P. L. Potter of Columbiana asking judgment for \$224, which he claimed was the last installment due on the purchase price of a tract of Columbiana county land containing one and a tractors acres, sold some time ago to him by the deceased. On Wednesday the court entered a decree in the case finding the amount due and ordering that the land be sold to satisfy the claim in the event that it was not paid.

DOLLAR DAY

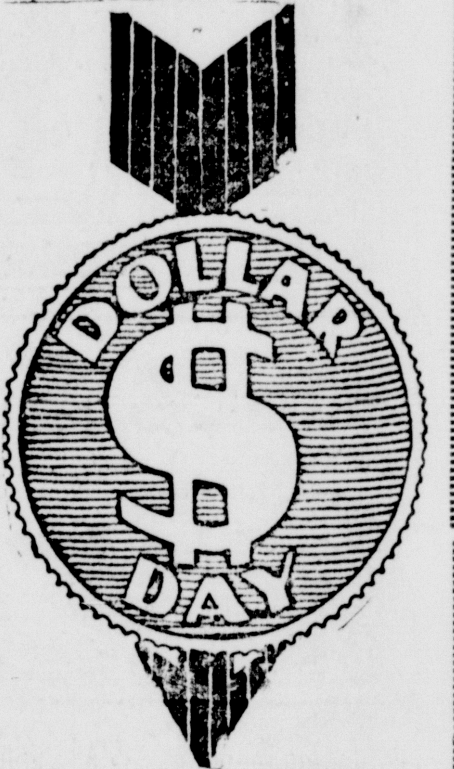

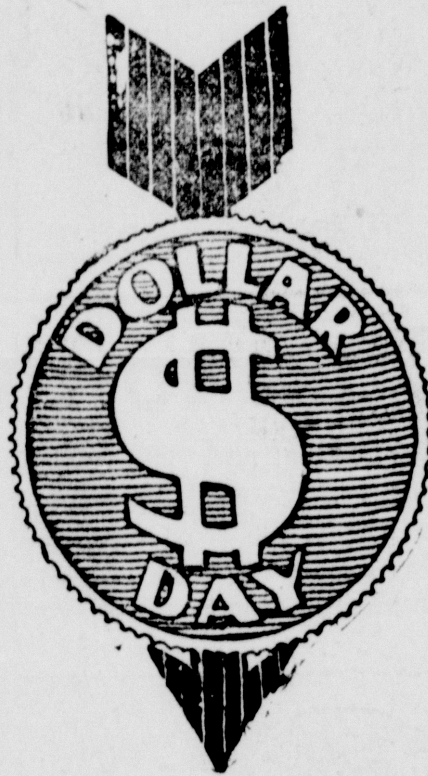

"Unusual Values" Become Commonplace in This Sale

There are three points which we wish to emphasize in this announcement of our DOLLAR DAYS participation.

Variety, Quality and Value

Shoes for everyone from Baby to Grandfather are included in this fine store-wide sale. To give a complete review of the possibilities for shoe saving would be a lengthy task for us—and you wouldn't have time to read it all. So we shall only mention a few of the many opportunities here, to give you some idea of what can be saved by securing footwear for everyone in the family during these great Dollar Day sales.

Lest you be doubtful that good shoes can be had at such prices as we are offering these two days, we wish to assure you that never, even at sale time, will we sell any shoes that might not uphold our enviable reputation for "quality footwear."

We Announce for Your Approval The
